- Experienced in project and team management
- An ability to work collaboratively with team members located remotely across the country
- Experience with Microsoft office suite
- Strong ability to forge strong and respectful professional relationships
- Understanding of the regional and rural landscape
- Driver's licence essential.

### US

C7EVEN is a growing vibrant company dedicated to developing our people as much as we are dedicated to delivering captivating work for our clients.

All work is based on our 7 core values to Connect, Collaborate, Create, Challenge, Curiosity, Courageous, Captivate. These values are the driving force for all we do, they are our purpose and vision but most importantly this is why we are C7EVEN

Our team has experience working on some of the most influential brands and organisations in the world. This global experience matched with an intimate understanding of regional audiences' means C7EVEN understands and connects both the functional and commercial needs of our clients with the intricate needs and wants of regional audiences.

These roles are available with flexible working options, an attractive salary package and growth opportunities on offer for the right candidate.

If this sounds like you, then we'd love to hear from you! Head across to the careers page at [c7even.com.au](http://c7even.com.au) to check out full role descriptions.
